The NHS Explained: how the health system in England really works

Our free four-week online course will build your understanding of the NHS - its inner workings, current and future challenges, and how it all fits together.

This course will help you understand:

- what keeps the fifth-largest employer in the world running
- current and future challenges facing the NHS
- how we can tackle these challenges to ensure a system fit for the future.

The course is for:

- health and care professionals
- non-clinical staff in NHS and social care
- those who are new to the NHS
- anyone considering a career in the NHS and social care
- patients and the public.
